

Brockville Mental Health Centre

The Brockville Mental Health Centre has been providing mental health treatment to residents of Eastern Ontario since 1894.

It is a teaching centre of the University of Ottawa and provides an integrated approach to advancing the treatment of people with mental illness, research and education.

The mental health centre offers both inpatient and outpatient programs that are designed to meet the treatment needs of people with a serious mental illness. Treatment is tailored to individual needs and is developed in conjunction with patients and their support system. There are currently 200 inpatients and 1,100 outpatients receiving active treatment through the Brockville Mental Health Centre programs and services.

The clinical programs at Brockville Mental Health Centre focus on:

- Acute Psychiatry (Elmgrove Service)
- Assertive Community Treatment Teams
- Dual Diagnosis Service
- Geriatric Psychiatry Community Outreach Team
- Geriatric Psychiatry
- Homes for Special Care Program
- Integrated Forensic Program – which includes the Secure Treatment Unit
- Rehabilitation Service

Clinicians at the Brockville Mental Health Centre work with their partners throughout the health care system to ensure that patients have timely access to specialized psychiatric services and that treatment is tailored to individual patient needs. Each program provides services that may include inpatient, outpatient, partial hospitalization, day hospital, assertive community treatment, outreach and psychiatric rehabilitation.
